Space:Maker Triline™

Sliding Wardrobe Doors

Features

- triple track system allows greater accessibility to wardrobe contents i.e. allows two-thirds of the wardrobe to be accessed at one time
- round, modern appearance
- large 41mm diameter rollers and brackets for quiet operation and ease of adjustment
- design-registered anti-jump device prevents door panels from jumping off the track
- matching infill buffers on grip stile
- continuous finger grip on all panels
- foot-friendly, easy-to-clean track
- 10-year guarantee on frame and components
- **Space:Maker Triline™** represents a variation of the Australian Design Award-winning **Space:Maker Softline™** Sliding Wardrobe Door System.

Design Flexibility

Made to suit your individual requirements.

Space:Maker Triline™ wardrobes are suitable for either wall-to-wall or corner return installations.

Constructed from high quality aluminium extrusions,

Space:Maker Triline™ is designed to suit most situations and ceiling heights up to three metres.

The continuous finger grip on all door panels provides additional strength and ease of use.

Exceptional Value

Indulge your imagination and create an absolutely premium wardrobe design at a surprisingly affordable price.

Safety

Space:Maker Triline™ Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS 1288 and AS 2208.

Product Guarantee

Space:Maker Triline™ components and frames carry a 10-year guarantee when used under normal operating conditions.

Bottom Track

Space:Maker Triline™ with its foot-friendly unobtrusive, low-profile design and easy-to-clean track, roller side-play is virtually eliminated, producing a smoother sliding operation.

Modern Contoured Cushioning

Matching infill buffer with grip stile eliminates metal-to-metal contact and gives **Space:Maker Triline™** a smooth, modern contoured appearance.

Perfectly Secure Panels

An anti-jump feature, which is incorporated in the design-registered head channel spacers, ensures the panels cannot jump the track and provides quiet, rattle-free operation.

Panel Variety

Space:Maker Triline™ is available in clear or tinted anti-shatter, safety-backed mirror panels, plus a wide range of wood grain or vinyl finishes. Plain panels for painting or wallpapering are an alternative for the do-it-yourself enthusiast.

Smooth Roller Gliding

Large 41mm diameter, round-tyred rollers, combined with a strong metal adjustment bracket, ensure quiet operation and more roller adjustment than is ever likely to be needed. Open design and construction enables easy cleaning.
